TUESDAY, SEPTEMBER 5 6:00 PM — 9:00 PM OPENING EVENT Britsburgh Ale "Tony Knipling Cask" tapping *East End Brewery*

On July 26th, we lost a great friend to Britsburgh and to the craft beer world of Western PA. Tony Knipling helped Britsburgh establish our Beer Society and it was Tony who encouraged Scott Smith, founder of East End Brewing Company to make a British style ale for Britsburgh. This event then seems a fitting tribute to "The Beerman". Join us as we celebrate the life of Tony 'The Beerman' Knipling as we tap the "Tony Knipling Cask" of our Britsburgh Ale. The keg will be tapped by Ken Vecenie of Vecenie Distributing Company, very great friend of Tony and his boss for over 20 years. We will raise a toast or two to our friend's memory.

This year's Britsburgh Ale is an ESB. You know that as an 'Extra Special Bitter' but we are calling an 'Extra Special Britsburgh'....

The cask tapping will kick off our event at around 6.30pm. Join us as we enjoy an evening of good British food and great entertainment provided by the official band of Britsburgh - The Honeyriders.

There are more questions than answers, but more answers than you might think and some of them are surprising....

What is unrehearsed Shakespeare? It's a technique whereby talented actors and actresses preform a freeform Shakespeare play without having the benefit of prior rehearsal and not knowing the part they will play until the day of the performance and in some cases literally minutes before as their part can be chosen by the audience. Actors are given cue scripts that contain everything they need to know to act out their part. This technique provides for a lively and fast-faced evening. Join us for a great evening's entertainment for the whole family.
